“ *To Randy, Kerry, and family:
We loved your parents! They were always around when we came to visit in Chanute. Always smiling, always positive. We loved talking to them about anything and everything. They were so close to Dick and Martha, they were part of the family. It's sad that this is an end of an era! Your parents contributed so much to the happiness of others. But what a wonderful era it was. We will have great memories forever!*
Love,

“ *To Deans Family:

A special person has gone to heaven to meet his sweetheart. My thoughts and prayers go out to his family, Dean was one of the nicest people you would ever want to meet. Everyone use to marvel at the way he and his lady love would dance. I was one of those people and was lucky enough to get the opportunity to dance with him. I am sure that they are dancing to the music in heaven. May you rest in peace Dean. Your back will be straight and no pain will you have any more.*
