“ My condolences to the family, May the love and warm memories you all shared together always be a part of your lives. Always remember the words of Jesus in John 11:25 " I am the resurrection and the life. The one who exercises faith in me, even though he dies will come to life." As you reflect on this promise, I pray that it brings you comfort.

*“ I never got to know you well but I always admired your grace and elegance. One thing I do know about you. You raised your son in your own image and I am glad that my sister was fortunate enough to have found Bob. The legacy continue through your grand children. This was the first Father's day without my dad and I miss him as you will be missed. Rest in peace and say hi to my dad.
