“ Grandma was such a beautiful person inside and out that I believe she touched everyone's heart in some fashion. Those that say there are no angels on earth never met her. All of the Christmases, Easters Thanksgivings and family get togethers are what I will always cherish. To have her with us for so long has been a true blessing and I miss you so much already. I take comfort only that you are in heaven with Judy, Eddie, Ann and grandpa watching over us. Until we are together again know that we love you as much as you loved us.

“ Mom was one of the strongest sweetest woman I have ever know. She loved he family so much and was so very proud of each one. When she came to Coffeyville to live with us almost six years ago I promised her that we would go back to Severy once a month and spend the weekend so she could go to "coffee" to see her friends and go to her home church and we didn't miss many months. She loved her friends and her church and always looked forward to that weekend. I will always treasure these last few years that we had together.
