“ You are all in my heart and prayers. Getting to know Helen was a great pleasure while she and my Mom spent many meals and many hours sharing good memories of St Maggie's, the Sisters, and their work. Getting to know her family through sharing stories of fun times, was a privilege. Helen was always looking out for the other residents and staff. Helen and Mom loved a toothpick after meals, Jakes popcorn, and collecting Vintage Park \$ to spend in the store for gifts. I know you will all be celebrating her wonderful life with laughter and love. Until we meet again, I will miss your smile and wit.

“ *Delaine and family ... Your mother was such a lovely woman. When I would visit my mother at the Assisted Living in Fredonia, I always made time to stop and say hello to her because she was such an inspiration. No matter what, she had a smile on her face and made time to chat with me. She leaves behind a great legacy for a life well lived. My deepest condolences. Patty Monical Coates*
