“ This says to "share a memory of Henryetta". How do you start? So many memories over the years of such a kind and light hearted woman. She was a master at what ever she was persuing at the time. She had a laugh was catching by everyone in the room. On the other hand, if you did something that she didn't like, she wasn't afraid to tell you so. What a wonderful lady, Henryetta, and what a friend.
