“ *Jane and All Herb's Family,*

Know that our prayers are with you in these days as you prepare to say a formal farewell to the man who fashioned your lives as father, as an example in so many ways and even as a friend.

All the more, our hearts are heavy knowing that you have had to lay him and your mother, Nella, to rest in so close of a time frame. Be assured that we continue to be here with a listening ear and caring heart through these days, weeks and months.

Thank you for the privilege of being touched by his life as well as your mother's!

Grace to all,

“ God saw you getting tired,
When a cure was not to be.
So He wrapped his arms around you,
and whispered, "come to me."

You didn't deserve what you went through,
So He gave you rest.
God's garden must be beautiful,
He only takes the best

And when I saw you sleeping,
So peaceful and free from pain
I could not wish you back
To suffer that again.

I love you Dad
