“ *It's been many years since I'd seen Herb, but I fondly remember him as such a cool dad to my best friend Kim. I remember when he and Julia would come to PSU to see Kim sing, and I loved how happy and friendly (and goofy) he always was. Kim, Julia, and Randy, I'm so sorry for your loss. He was a great guy..*

“*Herb came to CHS my senior year of HS, but I only had band second semester that year. It wasn't until I returned to teach at Royster for 6 years that I got to really get to know Herb and work with such an amazing man. He was so caring and had great enthusiasm. He taught me and our students a really cool marching move that I still use with my band today and always think of him. I and the world will truly miss you, my friend. Thank you for a life well lived!*”

“ *Just thinking of Mr. Correll fills my heart with joy. Herb always had a smile, was goofy in the most delightful way, full of boundless hope and encouragement...Without question one of the most sincere human beings I've ever been mentored by. Even as a student, I called him a true friend because you could tell he really truly cared about you as a person. God Bless You, Herb. And Blessings to the Correll Family, thank you for sharing him with us! ---Jennifer Knapp, CHS '92*
