“ Just saw the news of Izola's passing and wanted to send my thoughts and prayers. As you know our Mother's shared a very special friendship and I'm sure they are immensely enjoying their heavenly re-acquaintance. She was a special lady and will be sorely missed. May God bless you all, Bill Ames

“ *Izola was the kindest lady I ever knew. She was also my greatest supporter when it came to FHA fundraisers or anything else related to my educational goals. She always believed in me and never let me forget that I should believe in myself.*

Just not so long ago, she and I enjoyed a word search puzzle together at the care home. And though she couldn't hear a word I said, she knew exactly who I was and said my name many times with that same love in her voice and smile on her face that I will always cherish in my memories of her.

Give Chief a hug for me, Izola. Save a place for us.
