“ Linda and Roosevelt, April and I are so sorry for the loss of your Son Jared. Our thoughts and prayers are with you during this very challenging time. Please turn to the Lord for comfort and he will help you make it through this. I lost my 13 year old Son in 1997 and it was the most challenging thing I ever had to face in my lifetime. The memories will always be with you, and one day, you will all be together again.

“ To the family and friends, Jared was a great friend. I recall the times out of high school going on a canoe trip to Noel in a group of us. Jared and Levi enjoyed driving us through mountains too fast just to hear us panic from the back seat. He always seemed so tough, but really soft at heart, he just didn't want everyone to know. It was only about a week or so ago we talked in WalMart. This just doesn't seem real that you are gone. I know you are looking down trying to reassure everyone you are ok. We will all miss you Jared Ray, RIP. The Reed Family

“ This all still seems so unreal to have to be doing this for you!! I keep thinking...NO...NOT YOU!!! Your smile could light up a room and your smile shined brightest when you were smiling at Sherri or laughing at something silly she did or said! I'm never going to forget the love that you showed not just Sherri, but Slade and Kylie and the love you showed anyone who came into your life! You always had a hug for me when I saw you out...ALWAYS! You always made my heart happy because you made Sherri so happy!!! You were an example of how a man should treat his lady and there was NO DOUBT how much you and Sherri loved each other! I will miss you Jared! I'll never forget you!!
