“ *My job with the banks found me calling Jeanna from time to time to have her assist me in fixing this or that at Fall River. I can't think of a single time that she didn't answer with a 'smile in her voice', and offer to do anything and everything she could to help. It was always a please to visit with her, and she will be missed by many. God speed Jeanna.*

“ Jeanna and I went to school together plus we rode the bus together. I remember her sweet smile and her laughter. She was always so gracious. When she met Mitch she would just glow, she was so happy. She always had a sparkle in her eyes. That is how I remember beautiful Jeanna.
