“ *I am so very sorry for your loss. He is also our loss. We all loved our Joe G. There will never be another. He would always walk in the clinic with a smile on his face and I would always ask him, "Joe G., did you miss me?" He would always reply with " well Yeah, I missed you." He always had a way of making everyone feel special, and brightened the room when he walked in. Hugs and prayers to all the family. To Joe G, I miss you. RIP my dear friend.*
