John served on Shore's Board of Directors for many years and was very supportive of our agency through his involvement with the Kiwanis Club of Evanston. John was a friendly man who will be sadly missed.

“ John was always entertaining, with a great sense of humor, and could schmooze with anyone, anytime. This is from 2011, waiting for road construction on the trip down from Pike's Peak. The Ranger had this goofy hat on and John started commenting about it, and had her cracking up about it, so I had to get a picture of it. Mike Spacil

“ So sad to head of the passing of John.

Although I am in Australia and never met John in person, we had this connection through our CBX's and through my racing of the CBX's 'The Beast and The Beastess', in historic racing. He was a supporter and always congratulated us on our achievements and looked forward to my next race report.

A genuine, lovely bloke, who I unfortunately never had the pleasure of meeting in person, but I'm sure he'll continue riding with us in our racing endeavours as part of our team.
