“ Cloetta So sorry for your loss I know death leaves a void but the hope of a resurrection lets us know the love Jehovah God has for us I want to share a scripture that give me comfort in any circumstance that might be trying for us. 2 Corinthians 1: 3,4 Shows he is a god of tender mercies that will comfort us in trial and when when we have that, we are able to be a comfort to others that may be hurting more that ourself. I don't know if your are a religious person but know that god is not responsible for the death of your father because death is his enemy and soon he will wipe the faces of free of all tears and death will be no more Revelation 21:3,4 1 Corinthians 15: 25,26 Hope this brings you some comfort in you time of grief Your dad stayed with us years ago for a time and I know he has had a troubled life but he is not in pain or in tribulation any more just peaceful sleep till he lives again if that is Jehovah's will. Have a good night and don't let things overly stress you. Throw your burden on the creator. HUGS YVONNE

“ I knew John Greer for many years. I miss him and hope to see him in Heaven when I go there. John Greer seemed to always have an interesting story to tell or share with you a way to do something in a better way. He was an inventive and interesting man. John did not live a perfect life which proves him to be pretty much like us all. His passing has left a vacuum for me that God wants to fill. May we all seek God's guidance and blessing in this day and forever. If you read this and do not know Jesus Christ as your Lord and Savior I pray that you receive Him as such soon. Stan Allen

“ *I remember many years ago, Bill came to my defense against our father. Dad had got irritated with me over some gifts and money, so Bill took up for me. He suggested Dad leave me alone, it was nothing turned big with our dad. But because dad was making me feel bad, Bill helped me out. He was over all a really great big brother. I love and miss him so much. (We had the same father, but diff mother's, so we're half siblings) but to me he was close like my other siblings. R.I.P. Love Angela*
