April 23, 1934 - May 22, 2019

John R. Markley, DVM, of Howard, KS, was born April 23, 1934, to Aaron and Hallie (Bell) Markley at Mound City, KS. John passed May 22, 2019, at the Kansas City Hospice House after spending time at the University of Kansas Medical Center being treated for cancer and then pneumonia.

After graduating from Mound City schools, he attended Kansas State University where he received BS and Doctor of Veterinary Medicine degrees in 1957. John was a member of Acacia fraternity.

In 1957, he married Lois Cowan at Newton, KS. They had a son, Lance John, and a daughter, Sherri Susan.

After working as a government veterinarian for USDA in Burns, OR, and a veterinary practice in Pocahontas, IA, John established a mixed animal veterinary practice in Howard in 1960.

After retiring, John and Lois enjoyed traveling all over the world on trips which he researched and planned. John loved raising cattle on his ranch, which he constantly worked to improve.

John had many interests, some of which included studying history and Indian culture, reading everything, studying maps, writing cowboy poetry and songs,

and playing his guitar and singing.

John was a long-time member of the Howard Rotary Club and served District 5710 as a District Governor. He had served on the Howard School Board and Howard Chamber of Commerce Board.

John really enjoyed visiting with friends made in the Kansas Master Farmers of which he and Lois were members of the Class of 2001.

“ *Lois and Family--*

We were sad to learn of John's death. Lois and I always enjoyed being with you and John in Rotary events through the years. His District Conference in Lawrence was one of the first we had attended, and we remember it fondly. I also remember PETS his Governor-Elect year, which featured President-Elect Frank Devlyn. John and I shared an interest in music and guitar playing, which I greatly enjoyed. And Lois always enjoyed visiting with Lois M., especially about their experiences as members of the same sorority at Kansas State. John was a great and dedicated Rotarian and he left a legacy of outstanding humanitarian service over the years.
