“ *Butch, my special brother, I love you so much. My goodness we sure were rotten. I'm glad that it wasn't you that shot me in the belly button with the bb gun. We had such a great time at the farm. We were ornery ones. I have memories ... I will treasure you and our memories for as long as I live. I know you are walking with Jesus now and that's really comforting for me. Until we meet again. I love you.*

*Thank you for my namesake. I love her too. Nothing else for now.
