“ All of us at Red Barn Veterinary Service enjoyed working with John. He was a truly gentle man and a real cowboy. And when I say all of us, I mean every intern, every student, all of us who once came (Kathy, Veronnica, Dr. Tharp and Diane) and of course everyone still coming (Doc M. Doc B, Amanda, Leon, Hunter, Taylor, Kaila) thought the world of John, (and still think the world of Gene). Our hearts are sad for John's family and friends.

“ I'll miss John. CE and i both really liked him. He was such a hard worker and saved us many times! The only pay back I could give him was chocolate chip cookies and sometimes some home made bread! He worked so hard after he'd been diagnosed in following doctor's orders and trying to continue his life style of hard work. He did it for a very long time and didn't give up! His suffering and pain is over now. Rest in peace John Wolfe!
