“ My remembrance of Jordan included his huge smile, his big heart, and love of family. I was a teacher at GHS when Jordan and Jessica were in high school. I shall always think of him with that big grin on his face. With all that he had on his mind with that rascal dad of his, he never showed it. Since I had all 3 of his uncles in school, I knew what he was going through. I'm sure they are devastated now as we all are. Rest peacefully, Jordan. You will be missed. Susan Nepote
