“ Joe was my father in law and I cared for him in my home for many years. He was a very animated person at times and could be very stubborn as well. He made many people smile. I remember when Darlene was here with, us they did many things together and she was quite the light of his life. He has been without her for 15 years and I am sure that he is spending every moment in heaven with her with a great big smile on his face. He has missed her more than any could ever know. I loved him and am very glad that he no longer will suffer from Alzheimer's and is with the love of his life. You both will be in our hearts forever. Miss you always! God Bless you and everyone touched by your life.

Love Lisa
