“ Joseph Kucharski was a great guy and a brother. I first met Joseph in 2004 while we were working at BE Aerospace in Miami. I still can't believe he brought his Girlfriend (wife Vivian) out to meet his buddy (me) that was living in old Motorhome in Walmart parking lot. We worked together in Tucson, Ft Worth, Crestview FL, and meet up between assignments. He did not let many into his inner circle, but if you were, you were blessed.
