“ Sending prayers and love to the family. Aunt Juanita was a force of nature! Her laugh and her hugs and her words of wisdom were the best! She was always so good to me and made everyone around her feel welcomed and loved. Every memory of her she is smiling and laughing. What a beautiful legacy to leave. Thankful she did not suffer and linger and know that there was a joyous reunion in Heaven. I'm so sorry for your loss.

“ Juanita was an wonderful example of faithfulness to those she loved....so kind, thoughtful and caring. She was a treasured friend. As Steve became ill, we haven't seen one another very often; but that didn't stop me from thinking of her and being grateful for her impact on our lives. I will not be able be with you at the time set because I have to be in Wichita to get a cancerous spot cut out of a hand at the same time.....but be assured my thoughts and prayers will be with you. May you have that "peace that passes all understanding" to comfort you in this trying time and all the days ahead. Count your blessings where you find them--even if you have to search, there are always blessings to be found. May you yet feel her close because---Life is eternal, love is immortal, and death is only a horizon, and a horizon is nothing save the limit of our sight. God bless. *Merridith Kimberlin*
