“ I’m going to miss my mama so much! She was the best mom anyone could ever ask for. Having 5 daughters, my parents didn’t have a lot of money but they always made sure we had birthday parties with friends and magical Christmases. They did everything they could to make sure we didn’t do without and did fun vacations with us when they could afford it. We did a lot of camping, swimming and driving to different state parks, etc. My mom has the kindest heart and cared for everyone she met. She was very friendly with everyone she met and would give as much as she could even if that meant going without herself. She loved us girls and her grandchildren more than life itself and we are all very blessed to have had as our mom and grandma. We hated seeing her suffer for so long and we know she is happy and at peace back in the arms of my daddy. Part of her heart went to heaven the day he died 16 years ago. What a wonderful gift he received getting her back on his 83rd birthday. I’m sure they have been dancing in the stars ever since he welcomed her home ❤️ My heart is broken that I won’t get to see her again until it’s my turn to go home but I know she is no longer hurting and she is happy to be with her husband, parents, her siblings and other loved ones once again. Rest In Peace Mom. I love you so much and will miss you until the day I leave Earth myself.

Your daughter Trisha, Brian, grandsons Trent, Dakota, Tanner and granddaughter Elaina ❤️
