

Kara L. White

August 17, 1983 - March 26, 2022

Kara Leeann White, age 38 of Fredonia, KS, passed away Saturday, March 26, 2022 at Via Christi St. Francis Hospital in Wichita, KS.

Kara was born August 17, 1983 in Fredonia, KS to Mike and Lisa (Hicks) White. She grew up alongside her older brother Josh, as well as cousins and friends who were all life-long friends to her. She attended Fredonia High School, graduating in the class of 2001. She was a good athlete, and loved playing any sport she could, from track to basketball. After taking some time away from schooling, she decided to attend Mary Grimes School of Nursing at NCCC, obtaining her degree as a Registered Nurse.

Kara loved helping people, so being a nurse was a perfect fit. She worked for a time as a nurse at the Altoona Elementary school, the Wilson County Health department, and most recently was working at Fredonia Regional Hospital. Helping others was so important to her, that she had decided to be an organ donor, and even after passing, her donation helped an additional 55 people with life.

One of her favorite things to do was her Christmas boxes for all the kids, which would be filled with special items for everyone, including new pajamas. She enjoyed doing anything outdoors, loved her dogs and music, but mostly loved her friends and family.

She is survived by her daughters, Jordyn McConnell and Kadynce McConnell
Parents, Mike and Lisa White
Brother, Josh (Shanette) White
Grandmother, Carole Imel
Nieces and nephews, Pyper, Paytlynn, Saige, Madison, and Meagan

“ I remember watching Kara play basketball. I always wondered how such a little thing could play so tough and big. She always played hard. In track she was so determined that she would catch several runners before the finish line. As Kara grew up she matured into a beautiful young lady. Definitely a young lady to be very proud of. May God hold all of you tightly providing comfort in your time off grief! Gennette Robinson
