“ Dear Milton and family,
I remember when you and Kathy moved to chanute, I think I was 12 at the time. Kathy was teaching a Missionettes class to us girls, she was talking about dating and appropriate behavior ect. Then I asked her how did Milton get your attention? She said you rode your motorcycle up and down the street of her house popping wheelies! We all got a chuckle from her story and I remember thinking, wow, what a beautiful lady. In adulthood I seldom got to see either one of you but when, on occasion, I would Kathy always made me feel like she genuinley cared about me, my life and my walk with the Lord. When mom told me today of her passing I was sad for you &the kids but then I thought.....oh to see JESUS, I smiled and cried at the same time. My last memories of her are at church, her hands up raised, praising our King! God used her mightily. You are in my prayers as I know it is difficult to lose loved ones even though we know thet're in Heaven.
Sincerely,
Alta Harvey (oliphant)

“ Kathleen was an awesome friend before she became my cousin when I married her first cousin, David Kleiner. I have so many memories of a soft-spoken, loving girlfriend who set an example for all of us that knew and loved her. She will be missed by her extended family and many friends. I know that I give thanks that God allowed me to be her friend and her "cousin" and I pray that I can live up to the beautiful example of Christian love and friendship that she demonstrated daily in her life.

*Blessings,

*Our prayers are with you and your family. Kathy was one of the sweetest ladies we have ever meet. She definitely "fought a good fight, finished the course, and kept the faith." Even though we haven't kept in close contact, we have appreciated you and Kathy's ministry over the years. You both have been faithful to God, to each other, and to His Church. If we can do anything to help please call. You will continue to be in our daily prayers. May God give you Comfort and Strength!
