“ Although I could not be present I will always keep the fondest memories of my Aunt Kate close to my heart and ever present in my mind. Kate always took time out for me as a young child as well as in my adulthood. Many summers growing up I looked most forward to my time with Aunt Kate. Being on the farm and the many farm animals molded me into the farm girl I am today. She taught me many valuable lessons and was always making sure my faith is in check. I love you dearly and will miss hearing your constant words of encouragement. God's blessings.
