“ Our greatest sympathy in the loss of Kenny, He was always a good friend and I enjoyed working with him, and visiting and joking with him. We are going to miss seeing him at walmart.....Jack & Shirley Taylor

“ I am sorry to hear of Kenny's passing. My parents, Charles and Adeline Day, lived just to the west of Kenny and Dora's home. Kenny was a wonderful neighbor to them and especially to my mom after my dad died. I remember that Kenny and Dora's home and lawn always looked so beautiful. My brother and I enjoyed visiting with Kenny when we returned to visit Mom in Chanute and we were always so warmly greeted. My thoughts and prayers are with the family. Charlene Day Van Walleghen

“ I worked with Kenny at ILC as many others did. Never a dull or sad day when he was present. As years went by Kenny still remembered me and spoke even if briefly. So very sorry for your loss.

“ Debbie:

So sorry to hear of your dad's passing. There's not much I can say that will stop the hurting of losing him. All I can pass on to you is what a follow employee told me when I loss my dad. "Be thankful you had him as long as you did. I lost my dad when I was 5." From that point on my thinking went from depression to gratefulness for all those moments I had with him.

Deepest Sympathy,

Joe and Becky Leek
