“ *Randy was such a kind and gentle person. I loved working with him at Arolyn Heights, as did the other staff members. He was such a blessing to the elderly people we cared for at the facility. Randy checked on me everytime he came to work. He would come to my office and count the number of empty pop cans I had sitting on my desk . . . always able to judge how my day was going by how many pops I had consumed! Randy always knew how to lift my spirits if he saw my day was stressful.*

Mrs. Parkins and family - You all are in my thoughts and prayers.

*Much love,
Martha McKinney*
