“ I am so sorry for you loss Helen! My prayers are with you. Kevin was such a great man. Always kind and caring. I met him when he would come into Ubetcha and get Bibles. He spoke about the Lord. That has been quite awhile ago. Since that time his tree trimming and enjoyed cutting his hair.. Prayers for you, he loved you so much!

“ We are so sorry. Our hearts ache for you.  
I remember meeting Kevin almost five years ago when mom and I moved here on 8th Street from our duplexes on Ohio Street. I was standing in the yard by our sad looking Mimosa tree when Kevin drove by and stopped. He thought the tree was dead but breaking off a twig it was still alive,. The Mimosa has been through a couple storms since then but is still standing. He gave me his card and drove on. Last year he cut down two trees for us, a huge Mulberry tree that tree horizontally down the drainage ditch and a telephone pole(Hackberry) that leaned over the neighbors garage. I watched him lift that long Hackberry trunk over the neighbors garage.  
I always had a good feeling about the kind of person Kevin was. A good man.  
Our thoughts and prayers are with you.
