ME

“ We are all forced to bow our head in sorrow at the thought that all three of you were taken from us so soon. The only thing that cannot be taken from us are the memories and love that Kylie, Adam, and Kohen gave us. These memories will be the beacon leading us forward through the many days of darkness and pain ahead. As we travel that path of grief I know all three of you will be walking besides us until the day comes where we will once again be together again. I cannot wait to see Kohen run towards me as Kylie and Adam walk towards me holding hands and smiling.

“ Kylie, we had some much fun planning and preparing for ur baby shower. We had a great time that day showering you with gifts for that special little boy coming into this world. Then, when Kohen finally was born, man was he the center of everyone's life and you were definitely born to be a momma, girl. I loved watching you blossom into a momma, Kylie. Kohen, you are one special little man that will forever be missed. I honestly don't know how any of us have managed this week after God called you both home. No matter what though you all are more loved and blessed than you have ever imagined. Please shine brighter in the sky for everyone to see you both are still here with us all. Much love always, Kylie and Kohen. This is never goodbye but a see ya later alligators.

“ *Adam, from the time you met us all at the Fredonia Pool and showed up to work on the farm, you were part of our family. Ky, from the day we met, you took to my sons like they were family. They loved it when you jumped on the trampoline with them. And Little Mister Sunshine, Kohen, from your first smile, I knew whose boy you were, and that there was an angel in your soul!*

Everyone who loves you has gaping holes in their hearts that were created on Monday morning! They will be the empty placeholders with your names until we meet again!

I love you all so very much!
