“ Lance worked at Ray’s IGA with a whole crew of us in our teenaged years. So many fun memories from the time. Lance was dedicated to his work, family and friends back then and I am sure that continued into adulthood. I am so sorry to hear he passed away. Sending best wishes and healing to all his loved ones.

“ Lance was taken too young but his body could not withstand the illness any longer. He was his father’s son, taking after him with his woodwork. Lance was my nephew, always getting into some kind of mischief as a young boy! 😊 Our families had some good times together. Lance will be missed. RIP nephew. ❤️
