

Larry Gene Marple

September 19, 1941 - June 28, 2021

Larry Gene Marple, age 79 of Benedict, KS, passed away on Monday, June 28, 2021 at Neodesha Care and Rehab Center in Neodesha, KS.

Larry was born September 19, 1941 in rural Wilson County near Buffalo, KS to Don and Florence (Gillispie) Marple. He was raised alongside 3 siblings. On June 14, 1964, he married Carolyn Wing at the High Prairie United Methodist Church, where he was a lifetime member. They have spent 57 years together, having raised 2 sons.

Larry was a farmer, rancher, and truck driver all of his life. He enlisted and served his country in the Kansas Army National Guard for 6 years. He was an excellent carpenter and mechanic, and would rather figure out how to fix something himself than to hire someone else to do it. He was Chairman of the Farm Bureau Young Farmers and Ranchers for a while, and he and Carolyn sponsored their church youth group and 4-H youth groups for a few years.

He was a family man and loved being a husband, dad and grandpa. He enjoyed going to church and attending his grandkids activities: ballgames, and local, state and national livestock shows.

He will be missed by his family and many friends.

“ Troy, Nicole, Logan and Laney:
Sorry to hear of your Dad/Granddad's passing. It is always more difficult than one can expect, whether you are ready for the news or not. I had never met Larry but he passed on some good genes and character knowing your family. (Especially to the grandkids, but even a good deal to his sons). I wish you all good family time discussing good memories.
Our condolences,
David and Y Grieger

“ Larry was the sweetest man and I enjoyed every minute of our therapy sessions. He was always willing to do new things and work hard. His smile was so contagious and even on days when I knew he didn't feel like it, he would give me that sweet grin. Thankful I got to know such a wonderful man and appreciate all he taught me about his bulls!

“ So glad I was able to spend a few hours with Larry and Carolyn, around the first of June. I had gotten a sale bill from a Allis Chalmers collector. Large sale, we went over and over it, looking at the pictures and talking about the rare pieces of machinery. Dreaming of days gone by.
I want to say thanks to you Carolyn, for putting up with Larry and I that afternoon, and the cookies we ate.

Thank you. Michael Olson

“ Whenever I would see Larry at church I would say Good Morning Mr. Marple and how are you! He would give me that big smile with a twinkle in his eye and say I am just fine! He will be missed for sure. He is definitely doing fine in his Heavenly home. ❤️❤️
