“ Worked with Leroy when he was on the KHP. He was a regular to be assigned the state fair duty. Even after he retired he and his “Bride” would come up and spend a few days at the fair. We always tried to go out for a nice dinner while they were in town. RIP Leroy life well done, Sir.

LeRoy and Mary would often visit me when I worked at Baxter PD. Such a heart of gold under that badge. Together, they were marvelous relationship role models. They both will remain in some of my fondest memories. My deepest condolences to Mary and family.
