“ *Dear Travis, Rhonda, and kids,*

I'm very sorry to hear of Uncle Lester's passing. I have wonderful memories of him and your family with all the family gatherings down at Grandpa and Grandma's house. I cherish those memories, as I cherish you. I wish we could be there physically for you, but are fearful of COVID. Just know we are with you in spirit and look forward to the day when we can get together and give real hugs again. It's been a rough couple years.

*With much love to you all,
Arthur, Barbara, Tim, Chris, Heather, Jed and families*
