

Levi Duncan Ellis

March 22, 1985 - September 24, 2024

Levi Duncan Ellis, age 39 of Neodesha, KS, was found deceased on September 24, 2024 near Neodesha, KS.

Levi was born March 22, 1985 in Parsons, KS to Duncan and Barbara (Ulmer) Ellis. As a toddler, he went to live with John Ellis and Marsha, where he was raised alongside his 2 brothers and 2 step-brothers in Cherryvale. He graduated from Cherryvale High School in the class of 2003.

As a young man, Levi loved to fish and work on cars, or really anything that had a motor. He lived life on his own terms, and always had that ornery smile on his face and could make you mad at him, yet make you smile and laugh at the same time.

Levi was a loyal person to those he loved and would drop what he was doing to help you out or do anything for you. He hated to be alone and always had to have people around. His peace was found in music, which he had to have playing all the time.

Levi is survived by his mother, Barbara Carter of Liberty

Brothers, CJ Ellis and wife Christina of Pittsburg, and Dustin Ellis of Cherryvale

Step-brothers, Tim Johnson of Cherryvale, and Josh Truman of Cherryvale

Grandpa, Larry Hamilton

Aunt, Marvelle Ellis of Cherryvale

Many aunts, uncles, cousins and friends, some related by blood, some by love.

He was preceded in death by his father Duncan Ellis, John Ellis, grandparents Lewis and Mabel Ellis, and grandma Karin Hamilton

A memorial service for Levi will be held at 2:00 PM on Wednesday, October 9, 2024 at Countryside Funeral Home in Fredonia.

“ I just found out that you were gone, taken from us on May 9th. And I'm so damn angry. You and I have had this special connection that only we understood. I'll never forget the day you asked me to marry you. Right on my aunts front porch you got down on one knee and proposed to me. I will never forget you, Levi, and I will be seeing you again when the time is right.

To Levi's family, I am so deeply sorry for your loss and I wish I could've met all of you. Forever in my heart there he'll be.

I miss you, Levi.

Love, Addie

“ *I really liked this young man... When I first met him we was in his early twenties and he didn't know much about his father Duncan... I knew Duncan from my running around in many different circles in the late seventies and eighties... I shared many stories about Duncan with Levi and it seemed to give him peace...I come from a family full of red heads so Levi had special place in my heart... He was a one of a kind young man full of energy and very intelligent... The world lost a good one... much love and respect...mark*
