“ I have shared many years with this my sister in law, many memories of great times we had together. I will be there in spirit at your service as your family has chosen to shut me out but I will always remember you and the great times we had together. I pray for your family that God will give them comfort and strength through this difficult time.

“ Aunt Lillian would always write in my birthday card every year the story of how her brother (my dad G R) came and got her in a blizzard to see me at the hospital when I was born and how much hair I had and about my bow. Then she would tell me she loved me. I always loved that memory and knew when I got my card out of the mailbox what would be in it. I will miss that. She loved life and lived it to the fullest that's for sure. She certainly loved her family and my thoughts and prayers are with them. Aunt Lillian you will be missed. Love Elizabeth
