“ *My very special, caring and sweet sister. She was always there for me through the years and was glad that I could be there for her through part of her final trial. I know she is with our Lord and this morning looking at her smiling picture I had a smile on my face knowing that she is smiling even more now in Heaven. She deserves it all! Rudy, Gregg, Jason and Megan, I love all of you. We can share more memories of Linda together through the years to come.*
