“ Believe it or not, I had a dream about Suzy, last night. I haven't seen her since 5th grade, but for some reason, she was on my mind in 2021. I hope that all her family knows of her impact to so many, even all these years later. Blessings to you all. - Jane Almquist Cox

“ It never seems like we get enough time when we were together, but that's the way it always is. At least now Uncle Tom has someone to kick back with and hang out. Save me a seat on the porch And I'll be there before you know it.

“ Suzy was the glue & glow that kept family her top priority. She always was glad to see you & I don't remember her ever angry. She loved family & for years it was her that started on the Roat family reunion. She always made sure months before that no one was left out. The reunions will not be the same without her. To all the family my very deep condolences.
Love & miss you Suzie Q!
