“ *Debbie and Jerry. We were so sorry to hear of your loss. We have lots of great memories of our time with "The Joneses and Luella". I always loved her laughter and her story telling. Her being born at Belleville and I at Concordia was always a connection. Her smile always spoke welcome and her gentle ways always spoke compassion. Thanks for sharing her with us. We pray for you all during this time.*

I'm so sorry for your loss.  
I remember how we used to eat the raw cookie dough more than we baked them at your house.

“ *I have known Luella in my shopping experiences for the past 48 years; however, I saw her sitting on a bench "greeting folks" at the lola Walmart within the past 18 months, I believe. She has always been so cheerful and helpful, and just made you feel happy and privileged to know her! I certainly miss her!*
