Lue was born in Gene Autry, Oklahoma on August 31, 1926 to John Eades and Crinnie Ethel.

Lue was well known for her deep love of family, hard work ethic, and love for all God's creatures big and small dogs, cats, birds, and horses.

Lue married the love of her life Paul Brown and produced three beautiful children. David Brown of Missouri, Linda Signer of Arizona, and Jerry Brown of Kansas. They were married for 58 years until his passing in 2005.

Even after retirement she worked; she continued to work at the retirement center taking care of retirees. There was no stopping her.

Lue moved to Kechi to be closer to her son Jerry Brown and daughter in law

Tamara Brown. They all enjoyed special family moments together as well as Sunday family dinners together. She made the BEST pot roast dinners to include her homemade peach cobbler.

She continued to work in her garden daily, take care of her three pups Theo, Patches, and Sugar. She continued to live by herself, completely independent until her passing. She was the most amazing lady.

She started learning piano during the pandemic. She was so proud of her daughter Linda Signer's musical talent on piano. She loved listening to her play and told everyone how proud she was of her gift from God.

“ I worked at the nursing home when Lue was a housekeeper. Had to work fast to get the residents out of their room, she would be waiting to clean. More than once she would yell at me about trash in the trash can. Lue would be spraying clearer or room deodorant like crazy. Only problem was all those smells made it hard for me to breath, so I'd have to wait for the smell to leave. She would laugh and say" But they smell so good." She did cut back, while I was still on the hall. She was a fun person, good hearted, and will be missed

“ It is with great sorrow that I hear of the passing of Lue Brown. She was a beautiful woman with a heart of gold. She was the most hard working woman that I have ever met. We became friends when we used to share rides together when we worked in Emporia Ks at Iowa Beef Packing Plant. She could outwork any of us and seemed to never be tired. I remember the love she had for her husband and her family. She loved to do carpenter work and was always thinking of ways to improve her home. I shall never forget Lue, she shall always be my friend.

“ As a chaplain at Howard twilight manor I met Lue and was so impressed with the care she gave to the residents. I remember when she introduced me to Linda who had volunteered to come in wants to play the piano for the residents . What a team they were for our residents. She Cared for the people as if she was taking care of her Savior Jesus, even willing to wash their feet if need be. Till we meet again inside the Eastern gate.
