“ *I loved working with Lynne for 29 years . She was always a delight to work with never had many down days even when very busy /. After I retired we still were very good friends visited her many times in her home and some times at a café a couple of times . Most of our visits were by phone where she always was a blessing to talk to her. We visited about our kids which we seen though the years grown up . She was so proud of each of you. She talked a lot about Laura and her new life Jesus. Telling me that Laura inspired her so much. Miss you Lynne this is not good bye by knowing the grace of our God I will see you again. Pray for the family as it is very hard to loose a mother so young . Love you guys plan on being at the funeral . Thank you for txt me .*
