“ I am just heartbroken to hear this. Mike and I became friends when he went to work as a disc jockey at KKOY in 1973. We partied, danced and had the most wonderful friendship. Whether separated for days or years, our friendship never seemed to skip a beat. I'm so sorry that I didn't know of his illness so that I could speak to him before he passed. I will always love and cherish the times we had.

“ Mike was a wonderful man... great attorney and friend. His smile was genuine and his laugh was contagious. I will forever be grateful for his legal advice and guidance and those early 1970s memories pushing our political agenda. More importantly I will forever cherish our friendship and will always remember his kindness, passion, good looks and, of course, his hair! LOL! I know he would laugh at me saying that... but it's true. God's speed ole friend. Rest now ... court is adjourned.
