“ I feel like Michael and family have always been a part of our lives. He and Trey have been tight for over 23 years. What a special young man! My entire extended family either knew him or of him and send their love and sympathy. My dad, who passed 3 years ago, used to call him "the couch jumper", as he was a bit wild at 8. I imagine they'll get the chance to have some great conversations now. We never know what people are going thru, what pain they may be enduring. I'm glad he's out of pain and in a place of infinite love but he leaves a hole that can't be filled. All of our love to his family, Pat and Laura Allen

“ I remember teaching Michael in my Sunday school class in lola he just loved to joke around. Most of the times he got a kick out my telling him that he was driving me up the wall and from then on he made it his mission to do just that. As I'm writing this I can still hear your laughter even though it has been over 20 years since I have seen you and your mom. You will missed. Thank you for the laughter.
