Tribute Wall

“ As well as having been special family friends for almost our whole lives with the Paulie family, Mike and Aggie have been such great neighbors to my mother on the farm in these later years. Mike did carpentry work for my mother, when needed, and just generally kept an eye on her. He said that he felt she was like a mother. He and Aggie are both greatly missed! Love and prayers to the Paulie family at this time of great loss.
