“ I'm so sorry for your loss, and send my condolences. This is one of the hardest times in a family's life, always know that others care. Most important God cares. He has promised a time when he will "swallow up death forever and he will wipe the tears from all faces." (Isaiah 25:8) Praying for your family, and praying you will find comfort in this promise.

“ Misti I will miss you..as I was missing you before..except this time I know I won't see you here on earth. You gave me something no one can ever take away from me. I loved you even with your flaws, because we all have them. It breaks my heart to know you are actually gone. I know you aren't in pain anymore and I know you are singing with all your angels, family and friends. My heart goes out to your kids, you siblings, your mom and your friends. God speed girl.
