“ I am Nancy Kay's cousin. Our families used to get together frequently when we were all very young. She had kept in touch with my brother who was near her age and has some health issues (MS & diabetes). He had mentioned several times that he wondered about her because he had not heard from them in awhile. Most of our parents are deceased and the cousins are scattered all across the country. Such a shame that we have not been able to keep in contact. Nancy Kay was the only one that stayed in the Kansas/Oklahoma area. She was a sweet person and my brother, who is hospitalized at the moment, will be crushed to hear of her passing. Thank you to all that have had these remembrances of Nancy Kay. BTW, Nancy was her dad's mother's name. She passed before Nancy Kay was born.

“ Katy was special! I first met Katy when I was a new student at the NeoKan Dormitory at Neosho County Community College. I was anxious being on my own away from home. Katy was cleaning the community area in the dorm. She was nice to me, welcoming me! I got to know Katy throughout my two years at NCCC. Later she and her mother, Lorena, went on tour when I was the tour director with Good Will Tours. I continued to meet Katy in passing for several years in Chanute. She was always a nice woman. Never said a bad word against anyone. Katy was a blessing...she must be at peace in Heaven.
