“ *When we came to visit as young teenagers, Nancy used to take me & my sister Sheri downtown to the gazebo in Humboldt & we walked around with our hot pants or short cut off jeans & makeup on which Nancy taught us how to use! Nancy was always such a force ready for action to have fun when we were young. We Loved spending time at Aunt Dorothy's house because of Nancy & our adventures! Then she met George & our hunt for fun (boys) were over but we still had loads of fun with them. Always good times around Humboldt with Nancy & George that I will Always remember forever! I Love you Nancy & I will pray for you in your new Heavenly home.*
