“ *My mom started out as my mom and grew into my best friend. I am so glad I was able to be there with her.*

She hadn't opened her eyes all day and then all of a sudden her eyes flew open she looked at me, my niece Shannon, and I know in my heart she knew we there and knew her great grandson Tyler was there. It was her way of saying goodbye. I LOVE you more than you'll ever know and miss you already. But I carry you with me in my heart, after all you are the reason I am here.

All my Love, your daughter Rebecca
