“ I'm so thankful I had my mom for 96 years. She was the thread to our family that held everything together. I remember as a child that she would do without too
make sure all of us kids had. There's no amount of words I can say on how much I loved my mom. I know through mom's prayers and faith it brought all of us kids to know Jesus. Thank you mom and one day we will all be together again.

Love you,
Tom
