“ *We have so many fond memories of this grin that you have had since a toddler. From the Yee-haw days in your Mom's jeep to the year you boys got the chemistry set, there was always the same grin. You now have returned from where you came and I know you feel nothing but Love. Our paths will cross again someday and if there are Frito Chili pies in heaven We Pray we get to share one as we had so many times before. We will miss you Nicky but find peace in knowing you are with all the loved ones that have gone ahead and you knew what you ment to us.....Love you more Uncle Kevin and Aunt Tammie...*

“ *One of my favorite memories with Nick was when we cleaned up his workshop and painted it. Fun times. He was so proud of that workshop.* 😊
