“ Gary and I have many happy memories of Jean and the family, but we consider ourselves honored to have spent many special days with her at the Eureka Nursing Center, watching her gracefully go through many different experiences, sharing with her as she visited with family and friends, even when she was in pain she was always a gracious loving lady, always thinking of others and never ever too busy to take a moment for someone else. She will always live in our hearts and we thank God for her life and her wonderful family. God grant the family peace in their hearts. Rev Gary and Jean Parsons.

“ *When you lose your mama it leaves a whole in your heart that can never be filled. She was like my mom a very special lady that worked hard and loved her family. She might be upset with one of her kids for one reason or the other buttttt you better not say anything bad, cause there would be ????? to pay. Sweet could turn to tough. Jean I know God has his hand on yours leading you home. Love and prayers to your family. Bonnie Bills*

“ Jean was one of the sweetest friend anyone could have. My Mom considered her one of her best friends. Not long after Mom passed Jean called telling my that she had found her phone and her phone book and was calling all her friends. That made me feel very special. I was so happy to see her at the bazar and got to visit with her. Jean will be missed by all who knew her. My thoughts and prayers will be with you in the trying days ahead. Norma and Bill Hader

“ *So sorry for your loss of this lovely woman. Jean's smile always brightened our Sundays at Severy United Methodist Church, even when the weather was cold and dreary. Of course, we loved her pies, especially the coconut cream, and her annual Christmas candy and gift baskets she prepared with her girls for the alone and homebound made my Dad, Nick Nichols, feel extra cared for. She was a treasure on earth and I've no doubt that God has already put her to work in heaven.*
