“ *Norma and Linda would make a trip to Independence Missouri and stay with us to do their Christmas Shopping every year. Till we moved to the Lake of the Ozarks. One year Linda locked her keys in the car. Earl and I went to help. They bought us dinner that night. Earl bought Linda a key chain for the wrist told her to put her car key on it. When the stores closed they would come back to our home and we would see everything they bought for everyone. Norma and Linda could find the sales. We loved to have them. Barbara and Earl Baney*
